

DISTANCE EDUCATION ACCREDITING COMMISSION

STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit www.deac.org.

This information was prepared by Distance Education Company - NYICD
and published on its website on April 12, 2021

Summary of Institution Mission and Student Achievement

NYICD's mission is to empower students to achieve their aspirations through flexible, convenient, affordable, and highly relevant educational programs.

- Accountability - We set measurable goals and are accountable to students, and to each other, for our actions, performance and results.
- Integrity - We operate with the utmost integrity and treat both our colleagues and our students with dignity and respect. We also expect integrity from our students.
- Passion - We believe we can make a difference in people's lives and want to help all students, faculty and staff members realize their individual potential.
- Teamwork – We believe collaboration and communication among students, faculty, and staff are essential to achieving great outcomes for students and our company.
- Excellence – We strive to uphold high standards in our programs, student experience, and support services, and are continually seeking ways to improve each of these areas.

Aggregated Institutional Data on Student Achievement

NYICD – Institutional Grad Rate: 51.52

Graduation rates (2019) were calculated within 150% of normal completion time and are based on students who enrolled between 1/1/18 – 12/31/18. This cohort graduation rate excludes the following: students who did not meet financial obligations, students who were actively studying, students who have not completed their compliance paperwork, and students who never submitted an assignment (i.e. non-starts).

Number of Graduates by Program:

Number of students in the cohort referenced above that have since graduated from each of the programs.
